

the Application. Applicants further respectfully request that claims 39, 41, and 87-89 are currently pending in the Application.

IN THE DRAWING

Kindly replace drawing FIGs. 1 and 2B with substitute drawings FIGs. 1 and 2B, herein enclosed, in which reference numerals 321, 341, and 350, already present in other figures and described in the description as submitted, are shown. Applicants declare that no new matter has been added to the drawing by the showing of these reference numerals on FIGs. 1 and 2B.

RECEIVED

AUG 28 2002

TC 1700

IN THE SPECIFICATION:

Kindly amend the specification as follows:

Enclosed herein is substitute specification in two parts, a marked-up copy and a clean copy, for Examiner's approval. Applicants declare that no new matter has been added to the specification. Applicants further clarify that the line numbers within the original specification have been replaced by paragraph numbers in the substitute specification, according to new requirements for submitted patent applications. Applicants hope that this change makes it easier for Examiner to compare marked-up and clean copies of the specification.

IN THE CLAIMS:

Kindly amend claims 1, 2, 4-8, 10-11, 19, 22, 26, 35-39, 41, 43, 45-49, 56, 79-85, and 87-94.

Kindly add claim 95.
